Harvest 2024

“PICKING DAYS” 2024 HARVEST CREW

Join us for a morning in the vineyard picking grapes!

**SUNDAYS: SUNDAYS: AUGUST 11, 18, 25, AND
SEPTEMBER 1, 8, 15, 22, 29 AND OCTOBER 6 AT 8 AM.**

Friends, Wow, can't believe we are midway through the year and today (June 24th) we are thrilled to see a lush vineyard full of fruit! 2024 is already a year of plentiful rain sunshine... and all that leads us to grape harvest! There are acres of grapes that will be ready to pick. I see the grapes on the vine and I can just hear the “clomp, clomp” sound they will make when they are picked into the buckets.

What a beautiful sound that will be when we all gather for the 2024 Vintage. We already have requests for the harvest schedule! We can't do it without you, so please spend a morning with us and enjoy the vineyard fun!

My dad would be so proud of the vineyard beauty. I just know his indelible footprint is in the vineyard where he spent so much time. And he always said, “there's nothing a grapevine likes more than the shadow of it's caretaker!” And our vineyard had the best! The 2024 harvest and all future harvests are dedicated to dad. His initials, LJM, will be placed on the harvest crew t-shirts in honor of him and his vision for Kansas wine made from Kansas grapes.

2024 marks our 31st harvest and 30 years of our annual “Picking Sunday's!” We are thrilled to celebrate another vintage with you! The vineyard is the greenest green and the grapes are gonna be sweet. And now... we are eager to get our pruners and buckets ready for another harvest. It is our favorite time of the year! The time when we are joined by the finest grape and wine enthusiasts around. We have so many guests ask about grape picking and we are thrilled to add new folks to our picking crews. There is something very special about spending a harvest morning

in the vineyard. And I will guarantee that you will have a good time and make lots of memories. I speak from many years of picking experience. **This is a free event including lunch and t-shirts. Please call 913-724-9463 for your free reservation.**

“Picking Sundays” is a traditional midwestern harvest where people, groups, clubs, and families from all over get together to enjoy the vineyard experience of bringing in the grape harvest. A fun morning of grape picking...and tasting the grapes! Our estimated picking schedule will be (all dates are Sundays @ 8 a.m.): Sundays: August 11, 18, 25, and September 1, 8, 15, 22, 29 and October 6. All dates are dependent upon Mother Nature, so these dates are tentative. Each Sunday is spent harvesting and crushing different grapes. Join us for a rewarding

“Picking Sunday” and meet at the winery at 8:00 AM. Plan to stay after grape picking for an old-fashioned homemade farm lunch and visit the wine cellar to see the crush and taste the juice!! Reservations are REQUIRED for Picking Sundays.” (Free reservation. Just need a volunteer picking crew number so we can plan for lunch). Remember to call the Winery at 913-724- WINE (9463) and let us know if you'll be a part of the 2024 Harvest Crew. It is a fun experience for the whole family and we hope to share it with you!

July 12 – 6:30pm – 9:30pm – THREE TRAILS WEST

"You blew in there and blew them away." – Dave Para, Big Muddy Folk Festival

3 Trails West is passionate about vintage Western Music. "We've dug deep to uncover recordings that got left in the dust," says the band. "Our journey has taken us down some old, rutted swales, 'Trails Less Traveled,' you might say. We hope our music sounds familiar in the way that only a good Cowboy song 44 the collar, but more comfortable for the wear." Silent Trails is their latest album: "This new CD by 3 Trails West is a truly enjoyable album mixing some top class sounds of Western, Western Swing and Country Music. It will be on my Top 10 charts very shortly." –Mike Gross

Leo Eits – bass guitar & vocals

Roger Eits – guitar & vocals

July 19 – 6:30pm – 9:30pm – NACE BROTHERS

Fourth generation performers, their musical heritage began in the latter part of the 19th century with their great-great grandfather the classically trained violinist, Valandingham Nace. The legacy continued in the 1920's and 30's with their grandfather Percy, a multi-instrumentalist and square dance caller. By the late 40's their father was playing box suppers and square dances. Johnny Nace progressed from playing rural dances to leading the house bands on the regional radio and television programs, "Hillbilly Jamboree" and "Circle Six Ranch." He recorded rockabilly in the late 50's before finding his musical home during the

golden age of honky-tonk. An astute songwriter he led a top notch band to regional success with songs like "Sing me the blues" and "Blue Notes". The Nace Brothers 1997 release, "Roots of Steel" is a tribute to their father and the lessons he taught them. This is the Nace Brothers 42nd year as a touring group.
