May 17 6:30pm – 9:30pm – David Basse

Vocalist and drummer, David Basse has deep family ties to Nebraska, where he started his professional musical career at the age of 14. In 2017, David and his band returned to Nebraska, where he was inducted into The Nebraska Music Hall of Fame. In 2018, he was invited to Germany and Poland in honor of Kansas City's recent UNESCO World Music City classification. In Germany, he sang with a 16-piece orchestra to a crowd of 40,000, and the following day they performed at a beautiful winery, much like Holy-Field, in Poland.

"The soul of a bon vivant and the spirit of a hipster...Basse scats with insouciance reels you into ballads with a raconteur's charm."

— George Kansler, Hot House Magazine, New York

With several albums to his credit and a successful career in radio, David has a warm and inviting voice that draws listeners in. The 2017-2018 Kansas City Symphony season presented David in performance with internationally known vocalist Deborah Brown and Grammy nominated saxophonist Bobby Watson. After traveling widely, sharing the stage with some of the top names in the jazz world, David is excited to again open-up the Summertime Series at Holy-Field, May 17, and trilled the series continues to improve year after year.

May 24 6:30pm – 9:30pm – Jay MowBray and KC Aces

Entertaining crowds since they were teenagers, four of five members of the KC Aces are recognized by the Kansas Music Hall of Fame. Jay's MowBray's soulful voice and Terry Swope's soulful lightnin' guitar define the sound of the Aces. Terry Swope has long been known as one of the finest electric guitarists around, and Jay MowBray has that voice . . . not unlike Eric Clapton, Joe Cocker, or David Clayton-Thomas—he always brings his own signature style to a song.

"Kansas City's infamous KC Aces forged in the fires of a thousand stages."
Singing since he was in grade school, Jay performed with a gospel group that toured the Midwest. He later put music aside to concentrate on a career, and to raise a family. Now back in the business with all of his heart, Jay and the band are better every time I hear them. Especially with the addition of their newest member, drummer Tommy Sutherland.

May 31 6:30pm – 9:30pm – Billy Ebeling and the Late for Dinner Band

A third-generation musician from a musical family, Billy Ebeling has traveled the globe. First as a member of the Ebeling Brothers Band, and then honing his chops in an area known as Queen Street in Auckland, New Zealand. Billy spent twelve years there and Australia, with his own band, or with the Ebeling Brothers.

"PMA Winner – Best Blues Band in Kansas City"
Billy has recorded several albums, he is a prolific songwriter, a multi-instrumentalist, and the front man with the Late for Dinner Band. He seems to constantly be writing songs and learning to play new instruments. After picking up the pedal steel guitar, one of the most difficult instruments to master, Billy was invited to join pianist Jason D Williams for a concert.

June 7 6:30pm – 9:30pm – THE MGDs

What began in 2008 as a co-op band of three long-time friends, has evolved into a local favorite. Now seven pieces, The MGDs showcase their upbeat mix of piano and brass, complemented by a groovin' rhythm section at Holy-Field.

" . . . One of Kansas City's most accomplished party bands, strongly influenced by New Orleans groups such as the Radiators, the Iguanas and the Neville Brothers."

— Bill Brownlee KCUR

Soulful stylings served up in an electrifying experience that adds a unique new flavor to that iconic Kansas City sound. It's the MGDs, back at Holy-Field for a third time. Influences include a variety sounds from New Orleans, Memphis and other river towns, such as our own Kansas City.

Matt Davis – drums/percussion & vocals; Greg Bush – bass; Damon Parker – keys & vocals; Scott "Snoof" Middleton – guitar; Kurt Wheeler - saxophone; Emmitt Starkey - trombone; Teddy Krulewich – trumpet

HOLY-FIELD VINEYARD & WINERY 2019 SUMMER TIME MUSIC SERIES

18807 158th Street (158th & State Avenue) Basehor, KS (913) 724-9463

DAVID BASSE PRESENTS the 2019 SUMMERTIME MUSIC SERIES AT HOLY-FIELD

Holy-Field Vineyard & Winery is pleased to introduce our 18th Annual Summer of Music. The vineyard is the perfect backdrop for relaxing or dancing to the sounds of some of the city's finest musicians. Once again, David Basse, (www.davidbasse.com) has scheduled only the best to perform. Mark your calendars now...you won't want to miss any of these professional musicians! The summertime music series is the perfect evening out for families, neighborhood groups, car clubs...bring your friends and make new friends. Rain or shine the music will be playing! (Holy-Field has an indoor Banquet Hall in the event of poor weather).

June 14 6:30pm – 9:30pm – Whispering Willows

Many famous acts got their start in the picturesque Ozark mountains. The music there can be captivating. Violinist Dylan Hawf, A veteran of the popular bands, "National Park Radio" and "The Squarshers, is steeped in that sound. Reviewer Ernie Hill called it, "Ozark influenced virtuosity."

A native of Eureka Springs, Arkansas, Dylan met singer-songwriter Alaina Blake in the fall of 2015 at the Walnut Valley Music Festival - Winfield, KS. The duo continues to gain prominence and has made several high-quality YouTube videos.

"Alaina's pure and angelic vocals and raw and approachable songwriting paired perfectly with Dylan's virtuosity, as a multi-instrumentalist (who) provides a powerful, memorable and moving musical performance."

— Ernie Hill, reviewer

The duo calls their combined sound, "Rolling Hills Country". And the two of them, now married, are known musically as the, "The Whispering Willows". With an incomparable voice and a rare talent for songwriting, Alaina tells her stories with a refined grace, backed by "Ozark influenced virtuosity". For this special performance at Holy-Field Winery, the duo is pleased to add lead guitarist Ryan Overfelt.

Alaina Blake – guitar and vocals; Dylan Hawf – violin and vocals; Ryan Overfelt – lead guitar

June 21 6:30pm – 9:30pm - The Big Three

The 2018 release by The Big Three, "Tall Tails" was selected a top ten pick by the International Blues Awards - Memphis, Tennessee. Yes, the members of The Big Three can play the blues, and they all deserve to be honored by the International Blues Awards.

"Tall Tails" is much more than a "Blues" album, The Big Three are much more than a blues band."

Vocalist and harmonica player John-Paul Drum can dig deep into the blues and will also lead the trio into the uncharted musical waters of Rags, Americana, Western Swing, Rock & Roll and even Jazz, to great effect. Rock solid drummer Allen Fishell has recorded many excellent records, guitarist Bill Dye lights-up just about any setting with hot licks and a fancy array of stringed musical instruments. The two of them, playing off front man John Paul Drum can set off musical fireworks.

June 28 6:30pm – 9:30pm – The Good Fuzz

It seems late at night radio stations take a few more chances with music choices. Sometimes that song you haven't heard in a while, maybe never, ever comes up to grab your immediate attention.

"When you're scanning the radio for music, you'll hit lots off static, lots of fuzzy noise you don't want to hear. We call that the bad fuzz. Once you land on that station playing just the right song, that's The Good Fuzz."

So many great musicians got their start in bar bands. Specializing in their own brand of the blues and rock n roll, The Good Fuzz takes hits from the 60s, 70s, and 80s, and adds their own funky flavor. This is The Good Fuzz' first time at Holy-Field, should be a great night to dance.

When you stop by the Allied Saints website, you get a great sense of what this band is about. This band loves to be on stage and lives to play music live.

"When I was about three years old I sang at our church. It was then that I realized that I wanted to sing. I've never stopped feeling that way about being in front of people."

— Missi Lehr

Don't take my word for it, listen to what vocalist Missi Lehr says about her wonderful band . . . "Martin Zander's guitar licks are, in my opinion, comparable to any of the great guitar players of all time. The scary thing is, he keeps getting better. Hold on to your seats, he'll make your body rock across the dance floor, and then make your knees weak and your heart tremble. I know he does mine." This is a live music love affair.

July 12 6:30pm – 9:30pm – Rougher All Stars

Putting a little Soca dance music into the mix, Rougher All Stars evolved from the internationally celebrated ska, rock steady and Grammy nominated reggae band, "Blue Riddim". The first American reggae band to play at the Jamaican Reggae Sunsplash, "Blue Riddim" was that year unanimously acclaimed best performers. Their subsequent album, Alive in Jamaica was nominated for a Grammy in 1986 and the hit single "Nancy Reagan", topped the international music charts.

"The absolute best reggae dance band in the area."

Their primary influences, from the foundations of Coxson Dodd's Studio One label and Duke Reid's Treasure Isle label, became the foundation for the Rougher All Stars, which features some Blue Riddim alumni, along with an all-star modern-day lineup of Kansas City-Lawrence area musicians. Rock steady, at Holy-Field.

July 19 6:30pm – 9:30pm – Counter-Culture

Styles have changed in the past 20 years. Since we began our Summertime Music Series at Holy-Field, only 2 of the first bands, still remain on the roster. Allow me to introduce the latest addition to our line-up. These four friends keep busy, that tells us they are great musicians. You may have seen them with Brody Buster Band, 4:Score, The Grand Fiasco, Supermassive Black Holes, California Voodoo or The MGDs.

"Mainly jamband covers, but a little bit of everything. You're gonna love 'em, trust me."

— Martin Zander, guitarist

This is a jamband, think Grateful Dead, Phish . . . Counter-Culture is a Kansas City band made up of musicians who have been fixtures in the KC jamband scene for over a decade. So, what do they play? Mainly jamband covers, but a little bit of everything. Like the man said, "You're gonna love 'em, trust me."

July 26 6:30pm – 9:30pm – The Nace Brothers

Fourth generation musicians, performers and real-life brothers—David and Jimmy Nace—are all about the music. They have become a mainstay at Holy-Field and we're proud to welcome them back again.

This veteran group's musicianship and engaging stage presence have earned them appreciative audiences at concert halls, nightclubs and festivals throughout the Midwest and Southeastern United States. They perform regularly at Knuckleheads Saloon in Kansas City and Margaritaville Café in Key West, Florida. And, many stops in between.

"They've earned the respect of promoters, club owners, producers and peers for their dedication to their craft, easy going confidence and their refreshing lack of pretense."

The brothers have spent many a week on the road, for the past 36 years. They have recorded and released 9 albums to date and made a documentary film.

August 2 6:30pm – 9:30pm – The Crumpletons

A Lawrence, Kansas throwback to the bygone era of the freaky 1960s, The Crumpletons make you want to get your paisley and tie-dye on. Classic '60s British Invasion tunes, California Country Joe, and Acid Washed perfection awaits you when you glide into the final concert of the Holy-Field Summertime Music Series.

"For two years in a row the parking lot had been full for the entire evening and folks walked as much as a half a mile to hear The Fabulous Crumpletons."

John Lomas is a sensational lead guitarist and the vocals are sublime. Even if you don't dance, you will get caught up in the sounds, and who knows . . . this could be the night! The Crumpletons will be doing what they do best – getting you movin', groovin' and perhaps singin' along.

Dane the night away to this popular local band, from a town chalk full of great local bands—all the way back to Arlie Simmonds wonderful 1929 dance band, oh but that's another story.

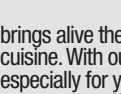

Janette Michaels- flute & vocals; Lynn Piller – guitar - steel guitar& vocals; Pete Wyman – bass & vocals; John Lomas – guitar; Buddy Pettit – drums
